

*I know a little girl
who puts colours
inside my world*

*I know a little
boy who lights up
my world*

*Have the
courage and be
kind always*

*I love the little
things you do
for me*

*Life is tough
sweetheart...
but so are you*

*Twinkle twinkle
little star,
I love you just the
way you are*

*Like stardust
glistening on fairies
wings.. little
childrens dreams
are of magical
things*

*Sugar and spice
and everything
nice.. thats what
little children are
made of*
